

## Ready, Respect, Safe

At Field View we have introduced three simple rules:

- Ready
- Respect
- Safe

## This is how we do it here!

At Field View we expect all children to follow the school rules and we would like parents to support us with this. All adults will celebrate good behaviour as much as possible throughout the school. We will also work closely with children and parents who sometimes find it difficult to follow these three simple rules.

## Rewards

Last term, we spoke to children about behaviour and they said that the rules of the school weren't clear and we did not always reward good behaviour. We have taken this on board and are introducing a new approach to rewards.

As part of our reward system, children will be given raffle tickets for following the school rules. Each week a raffle ticket will be drawn and the winning tickets will receive a prize.

Each week, one child from each class will receive a star of the week certificate to celebrate good work in class. Each star of the week will be announced on the school's weekly newsletter.
