

## PE Day

Every Monday. Please can children come into school already dressed for sports. It is a good idea to come into school with a hoody as in good weather lessons will be taught outside in the fresh air. Our first focus is on footwork – changing directions, speed and co-ordination.

Mrs Newman  
Teacher

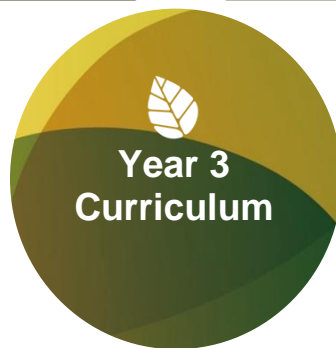

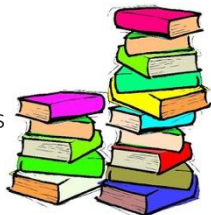

Mrs Walker  
Teacher

## Reading Books

We are going to organise reading books within Team 3. Books will be changed every time they have finished a book. Once a parent has signed to say a child has read their book it will be changed. A “Brag Tag” will then be rewarded.

(More information will follow!)

We will be completing AR quizzes and reading as much as possible for enjoyment.

Mrs Franklin  
Teaching Assistant

Miss Smith  
Teaching Assistant

Mrs Ali  
Teaching Assistant

## Dates for your diary

Family Challenge Thursday 21<sup>st</sup> October  
School ends Friday 22<sup>nd</sup> October  
School returns Monday 1<sup>st</sup> November

## Our Topic

This half term our topic is Bright light big city. We will be discovering the countries of the United Kingdom and exploring their geographical features. For example where cities, rivers and coastal areas are and their differences. We will be naming capital cities of the U.K and finding them using map skills.

Within art we will discover and develop our skill relating to shading and painting working up to creating a night time scene of night time London.

PSHE – We will be learning all about relationships and how to both give and receive respect from each other.

R.E – We will be beginning to learn about Sikhism. Discovering values, beliefs and looking at artefacts and discussing symbols and their meaning

Science – Light – discovering the difference between light and dark. We will be looking at reflection and shadows.

## Family Challenge

As we are relating a lot of our learning towards our capital city London. We would like you to make a representation of a landmark or feature of London. For example, The London Eye, a London bus, Big Ben, an EastEnders style aerial view. It is up to you – be creative and imaginative as you want!

Please complete at home bring in to school Thursday 21<sup>st</sup> October.
