

PE Day

PE will be every **Tuesday**. Correct PE kit must be worn on this day. This consists of a green hoodie, green t-shirt, black or navy shorts. During colder weather children may wear plain black or navy joggers or leggings. Earrings must be removed for PE. Failure to wear the correct PE kit may result in your child unable to participate in PE.

Reading Books

Reading is one of our key priorities at Field View. Your child will regularly read to staff within school, and we will also send out an age-appropriate book for you to read with them at home.

To support your child's reading, please listen to them read at least 3 times a week.

Dates for your diary

There will be no Forest School in Spring 1.

Spelling tests will take place every Friday.

3rd January 2023 – Children return to school.

5th January 2023 – National Bird Day.

16th February 2023 – Children break up for half term.

Teaching Assistant

Ms Hickman
Teaching Assistant

We are learning...

Maths: This term, children will be introduced to division. We will be practicing our 2x table as well as measuring lines in centimetres. All children will also be developing fluency in addition and subtraction.

Writing: Children will be introduced to a range of different writing genres, including poems and retells. Our focus this term is to ensure children structure sentences correctly with capital letters, finger spaces and full stops.

Science: This term, children will become explorers and explore the North and South Pole. Children will learn about the animals that live there and why they are suited to that environment.

Geography: Children will be learning about the UK, the countries within it as well as looking at places around the world like rainforests! Later children will role play booking a holiday at a travel agent.

RE: Children will look at big questions and mysteries within religion.

Art: Children will be learning about the artist Kandinsky and exploring his work.

PSHE: Children will be introduced to a new PSHE scheme. The first topic is 'Being Me in My World'. They will be looking at who they are and where they fit in the world.

Computing – Children will be creating digital artwork.

Family Challenge

This term we are focusing on places around the world in Geography. As a family challenge, the children could create a picture of where they have been on holiday. If the children have not been on holiday, they could create a picture of where they would like to visit. Photos are also welcome!
