Teacher

Reading Books

Your child will come home with a reading book to read with you. Books will be changed every time they have finished. Please ensure you sign your child's reading record each time they read with you and comment once they have completed their book as they will be rewarded with 'A Brag Tag'.

Year 3
Curriculum Leaflet

Dates for your diary

Half term – Friday 17th February 2023
Return to school – Monday 27th February 2023

Miss Boylen
Teaching Assistant

Our Topic

In Art and Design, we will be looking at famous building.
We will then design and build for a specific purpose.

Year 3 will also be learning about the Bronze and Iron Age in History. Here the children will deliver a pitch on a Bronze / Iron age invention.

Family Challenge

Research a famous building. Draw, paint or collage your chosen building. Next can you research some facts e.g., who is the architect? Where is the building located? What is the purpose of the building? And anything else that interests you.
