

International Day of Women and Girls in Science

She discovered radioactivity

Our Science Intent

We make a difference
in science when...

We work
scientifically

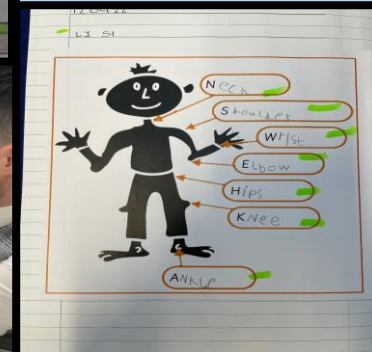

We think
critically

We are
curious

Field View Primary School Science Newsletter: Spring 2 Edition

Welcome

Welcome to our new Science Newsletter! At Field View Primary School, we pursue a broad and balanced Science curriculum. We want our children to become independent learners, who are curious and willing to ask and answer their own questions!

Each half term, we will share with you some of the children's work, family challenges, riddles and you can see your child's **new topic** at the bottom of the newsletter!

Our Science Intent

We make a difference in science when...

We work scientifically

We think critically

We are curious

Our New Science Ambassadors

<u>Year 1</u>	<u>Year 2</u>	<u>Year 3</u>	<u>Year 4</u>	<u>Year 5</u>	<u>Year 6</u>
Gold Dennis B	Gurnoor Jamie B	Elijah Dexter	Avneet Tom W	Charlie E Rueben	Divjot Brahmjot

Enoch - Year 1

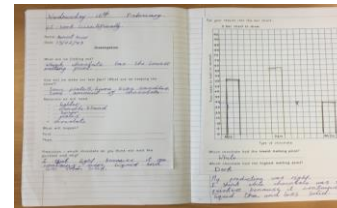

Gurnoor- Year 2

Wow Work

Elijah - Year 3

Avneet - Year 4

Hephzibah - Year 5

Ellie-May - Year 6

Riddles...

1. What Am I?

I can be looked through but I'm not a window
I have your eye pressed to me but I'm not a door peephole
I'm often placed on a tripod but I'm not a camera
I help you see things that are far away but I'm not a pair of binoculars
I'm often pointed at the sky but I'm not a satellite dish

2. What Am I?

You will find me in Mercury, Earth, Mars and Jupiter, but not in Venus or Neptune.

3. What kind of tree can fit into your hand?
