

Library books and homework

Each Wednesday your child will be given a library book of their choice. Would you please send your child back in with their library book in each Monday so we can help change it for them.

Teaching Assistant

Muddy Monday

At Field View we value outdoor learning and the unique opportunities it provides for learning. They will develop their knowledge and understanding of the natural world around them. The children also have opportunities to interact with each other in a different environment. We have a designated area where the children can learn safely.

Please provide wellington boots and warm clothing for children to wear each Monday, please be aware we do get muddy and so bring spare clothes and shoes for after forest.

Mrs Khelly
Teaching Assistant

Please Remember

Monday – Muddy Mondays – clothes you do not mind getting muddy and wellies in a bag.

Friday – P.E. clothes – trainers and hoody.

Spare bag of clothes to change into just in case of accidents.

Our Topics

Around us!

This half term we will learning all about the world around us. We will be using all our senses, smell, taste, seeing and hearing to learn about the world around us.

We will be learning all about autumn and the changes we can see. We will also be learning all about different festivals that we celebrate. Diwali, bonfire night and Christmas.

We will be creating lots of wonderful arts and craft and learning new songs, songs including I can sing a rainbow, rain, rain go away and lots of Christmas songs.

We will need lots of practice as we will be inviting you in to watch us all sing some Christmas songs on the 9th December 2022.

Family Challenge

Our family challenge is to bring in a photo of any celebration you have had with your family. It could be a birthday party, a wedding, bonfire night, Diwali, or Christmas. You could bring in a photo for a member of staff to photocopy or you can send it to the email below.
