

Library books and homework

Each Thursday your child will be given a library book of their choice. Would you please send your child in with their library book each Thursday so we can help change it for them. Don't forget homework books too.

Messy Play

In nursery we may get a little messy!

This is because our little minds and hands are learning, when messy we have been showing curiosity, imagination and gaining confidence.

Pen and paint on clothes show that I'm exploring lots of ways to be creative. In our mud kitchen we have used our senses and our imagination to create mud pies and silly soups. Exploring water is giving me lots of maths and scientific skills. We love filling and emptying but my clothes may get a little wet. Exploring playdough and messy play such as foam and gloop help develop my fine motor skills to help me when I learn to write.

Please Remember

Monday – Muddy Mondays – Wellies and spare clothes each Monday as we may get a little Muddy.

Friday – P.E. clothes – trainers and hoody.

Spare bag of clothes to change into just in case of accidents.

Our Topics

Our Families.

This half term our topic will be our Families. We will be learning about who is in our families and where we live. We will be reading all about The Large Family. Looking at similarities and difference between their family and our own.

We will be looking at all the different occupations that our families do and what we could do when we are older. Finding out all about the role of a postal worker and a dentist. Dressing up as Policemen and women and maybe even becoming a builder for the day on a construction site.

We will be looking at where our families are from around the world. Food tasting, creating lots of artworks and listening to traditional music from all the Countries we are from.

Family Challenge

This half term we are looking at our Families. Could you please send a photo of your family on a special trip. This could be to the zoo or the park. Or even on a beach somewhere hot.

Photos can be sent over by email. Our email is below.
