

Year 5 Summer 2 Curriculum Leaflet

ENGLISH

Our class text for this term is *Over The Line* by Tom Palmer. It is a historical fiction book, which combines the subjects of football and WW1. We will be finishing our year by revising all the skills needed to write a range of texts, including: a letter, a newspaper report, a setting description, a biography, and a balanced argument. In Reading this term, we will be reading a range of fiction and non-fiction texts and continue to concentrate on answering Inference and Summary questions.

PSHE

Our focus will be Relationships, in particular our relationship with technology and online gaming. We will be discussing why games have age restrictions, what our personal qualities are, what it means to be a part of an online community and why we should limit our time using technology.

Design & Technology

In Design & Technology this term, our focus will be 'Fashion & Textiles'. We will learn about different types of stitching – both decorative and functional – pattern making and decorating to produce our own drawstring bag.

MATHS

This term in Maths we will be focusing on:

Daily practice: Mental maths, number sense, quick recall of times tables, Roman numerals and ordering.

Arithmetic: Division and Multiplication (including decimals, missing number, word problems and practical investigations). We will also be tackling Percentages and Fractions of amounts and Terms.

Data & Measure: Speed, time graphs – gathering data and drawing graphs with more than one line of data.

Geometry: Properties of 3D shapes – including surfaces, edges and vertices and shape nets.

Reasoning: Calculating time duration using both number line and calculation. Calculating time equivalences and fractions and periods of time.

RE

During Summer term, RE will be looking at temptation and how different religions resist temptation. We will begin by defining temptation and what it means to be tempted, then we will look at making choices and what it means to be right or wrong.

TA 5HB

COMPUTING

This term the children will be working in pairs to create an Interactive adventure game using Google Slides or PowerPoint. They will be using text, images, hyperlinks and audio recording to create the adventure game.

HISTORY

Journeys will be our topic for History this term. We will be investigating and analysing sources about significant journeys people have taken over history, including: the voyage of Sir Walter Raleigh, the course of the Titanic, the impact of Kindertransport and the journey of the passengers on the Empire Windrush.

MUSIC

This term we will be following Charanga Music – *Dancing in the Street*. Listening, appraising, and playing glockenspiels and the note 'F'.

SCIENCE

During Summer term, we will be looking at 'Amazing Changes'.

Children will learn about materials, how they change, and which changes are reversible and irreversible. We will be carrying out several exciting activities, including making our own functioning volcano and Elephant's toothpaste!

INFORMATION
