

# Year 4 Spring 1 Curriculum Leaflet

## ENGLISH

In Writing, we are going to be creating:

- Narratives
- Performance Poetry
- A diary entry
- A recount

These will be based on our class texts and experiences that we have throughout Spring 1.

## PSHE

In PSHE, we are working on the topic 'Relationships'. The children will work on what a healthy friendship is like, how to resolve conflicts, and what to do if they feel worried or upset.

## ART

In Art, we are looking at the artist Sonia Delaunay. We are going to be looking at her artwork and fashion styles and create pieces of art that have been inspired by her work.

## MATHS

In maths, we will be working on a range of topics. This will include:

- Place value up to tenths and hundredths
- Using all four operations with fractions
- Calculating fractions of amounts
- Solving word problems with one or two steps
- Classifying 2D shapes using properties
- Using coordinate grids to plot points and shapes

Children will also continue practising times tables ready for the Nation Multiplication Tables Check in Summer Term.

## RE

Our topic in RE is Christianity and why Jesus is inspirational. We are going to be focusing on multiple stories from the Bible and ask and answer questions about these.

**Miss Rakhra**  
Teacher 4TR

**Mrs Edge**  
TA 4TR

**Mr Vawer**  
Teacher 4IV

**Mrs Cartwright**  
TA 4IV

## COMPUTING

In Computing, the children will be working with the garage band app to become music producers. They will compose beats and layer melodies over it to create a song of their own.

## GEOGRAPHY

In Geography, the children will be studying the water cycle and researching information about rivers. They will learn about how water is recycled again and again in the ecosystem, where wastewater is processed, the features of rivers and the flora and fauna found near rivers in the UK. They will also conduct their own research about local rivers.

## MUSIC

Miss Rakhra's class will be learning to rap and composing their own rap verses for an anti-bullying song. Mr Vawer's class will continue learning the ukelele.

## SCIENCE

Our Science topic is all about States of Matter. We will be learning about how a liquid can freeze to make a solid, and how evaporation takes place.

## INFORMATION

8<sup>th</sup> January – INSET Day  
9<sup>th</sup> January – School opens  
5<sup>th</sup> February – Children's mental health week  
9<sup>th</sup> February – Break up for half term
