

Nursery Summer 2 Curriculum Leaflet

3rd June – 10th June

After a fabulous half term we will be reading the flap book 'Dear Zoo'.

We will be finding out about all the amazing animals that live at the zoo. Learning lots of facts about them for example what they eat and who looks after the animals.

We will be exploring lots of different materials and making our very own zoo animals from junk and other materials.

17th June – 24th June

Our next book is 'Off to the Park'. During these two weeks we will be learning about the fun we can have at the park. How we get to the park and how to stay safe at the park.

We will be practising our ball skills and the skills needed for our sports days. During this time we will visit our school pond and go pond dipping.

3rd/10th/17th July

During these last three weeks of nursery we will be learning all about the seaside and how to stay safe at the beach under to hot sun.

We will be making sand castles in our huge sandpit and learning all about the amazing creatures that live in our seas. During this time we will be going on our nursery school trip to the Sealife Centre.

Information

Homework and Library.

Each Friday your child will be given a library book of their choice. Would you please send your child in with their library book each Thursday so we can help change it for them. Each Friday your child will also receive homework we would appreciate it if you can help them to complete this.

P.E

P.E is every Thursday. Please send your child wearing suitable footwear and clothing such as joggers and trainers. We have started sports day practice we can't wait for you to come and watch us all.
