

Year 5 Autumn 1 Curriculum Leaflet

ENGLISH

In Writing, we are going to be looking at multiple genres and writing things such as:

- Character descriptions
- Cinquain poems
- Narratives
- Persuasive leaflets
- Our class text this half term is Room 13 by Robert Swindells

PSHE

During PSHE, children will be looking at being me in my world. This will focus on children's goals and what they want to achieve.

ART

In art, children will be exploring the idea of Chinese art and the different techniques and objects which are used within their paintings. Children will see a variety of 2D and 3D art within their lessons.

MATHS

In Maths, children will be looking at a range of topics. These include Place value and reading numbers up to a million, adding 5 digit numbers together using tricky column. Children will be multiplying using 10,100,1000 and including decimals and multiplying numbers using the short methods.

Children will then start by drawing and learning about different properties on angles followed by adding and subtracting negative numbers.

To finish the half term children will look at completing number sequences using square numbers, estimating and finding the area of regular and irregular shapes and investigate reflection and translation in two quadrants.

RE

In RE, we are learning about the Christian Bible and where it came from. We are going to be looking at the Bible in detail, the stories within the Bible and comparing the Old Testament and New Testament.

COMPUTING

Computing is all about designing and making our own games using Scratch! We will be learning about programs and algorithms.

MUSIC

During music lessons, children will be focusing on the song 'Livin' on a prayer.' They will focus on different vocabulary and look at both composition and improvisation throughout.

SCIENCE

Science is all about space and planets. Children will be looking at the different planets and then will find more information relating to them. The children will learn about different shadows which can be created and focusing on the solar system.

INFORMATION

05.09.24 – School opens for all children
16.10.24 – Reading parent workshop
25.10.24 – Diwali Day – Children can come to school in colourful/traditional clothing.
25.10.24 – Children break up for half term.

GEOGRAPHY

Geography is all about the changes in our local environment. We are going to be creating three pieces of artwork showing perceptions of the past, present and the future.
