INFORMATION

If you have any questions about school or your child please see a member of the Reception team and we will be happy to help or find someone who can.

Please remember to send your child to school with a water bottle each day with their name on. Children may have squash or water in their bottle.

This half term children in both classes will be visiting our Forest School on a Friday. On a Friday they need to come to school in their P.E kit and bring wellies in a bag.

On Thursday's children will need to bring in their library book as they will visit the library on a Friday. Library books are for children to read at home with an adult or older sibling. Unfortunately, if children do not return their book, they will be unable to choose a new one.

Homework will be set on a Friday and will need to be returned to school on a Thursday. Homework at the start of Reception will focus on phonics. When children are ready, they will be given an R.W.I reading book to bring home. These books are for the children to read to practise their skills. Reading books will be changed every Friday.
