

Year 1 Spring 1 Curriculum Leaflet

ENGLISH

PEP THE POET

During writing this term we are starting with poetry week with a visit from Pep the Poet. We are going to be learning and performing one of his poems.

For the rest of the term we are focusing on describing and writing informative sentences about fish, as well as writing a retell. We will be looking at different texts and describing the fish from each story.

PSHE

During PSHE this term, we are looking at important relationships. This includes family members, friends and teachers at school. We will be identifying different people within the community who can help us.

ART

During Art this term, we are focusing on creating an art piece based on the work of Kandinsky. We will focus on primary colours as well as painting.

MATHS

Throughout this term we will continue to develop our addition and subtraction skills and continue practicing how to apply these skills to real-life word problems.

After this we will be practicing measuring lengths in centimetres and metres and also measuring volumes in millimetres and litres.

RE

During RE this term, we will be learning about what books and stories are special to different religions. Throughout this topic we will also be exploring what books are special to us and why.

COMPUTING

During this term in computing we will be creating digital artwork. We will look at a range of artists and recreate their work using different apps.

GEOGRAPHY

During geography this term, we will be using maps to learn about our local area, the United Kingdom and different continents. We will be locating these different areas on a map.

We will explore the different features that different areas have, for example coastlines and jungles.

MUSIC

During Music this term, we are learning the song 'In The Groove'. We will be learning how to use glockenspiels when performing.

SCIENCE

Throughout this term we will be exploring the conditions of Antarctica. We will learn about what we would need to do if we went on a trip there and learn about what animals live there.

When learning about what items we would need when visiting Antarctica, we will explore the specific material qualities.

INFORMATION

Every Monday children will be participating in PE, please ensure your child comes to school in their PE kit and earrings are removed.
