

Nursery Spring 1 Curriculum Leaflet

WB: 7th January

During the first week back we will be learning all about Winter and the animals that live in cold places all around the world. Keep our fingers crossed for a little snow so we can investigate what it feels like and looks like. We will also be making penguins and learning how to move like one.

Muddy Monday's

Due to it being very cold in these Winter months Muddy Monday's will be on hold.

We will restart our muddy Monday's in the spring when the ground isn't frozen.

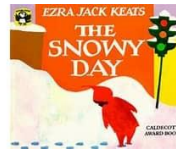

Parental contact

We have lots of ways to communicate with you about your child in nursery. Arbour is used by the school to send in-app messages and emails. You will receive our weekly newsletter each week by email.

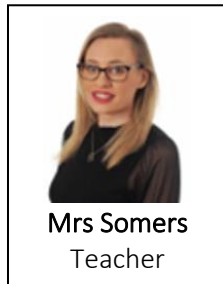

In nursery each Monday we will be sharing our weekend news and Friday is show and tell day. You can share photos of your show and tell and your exciting news to our nursery email.

WB: 15th January

This week we will be learning about a little boy who goes on a snowy walk. We will discover what he does during his little adventure. We will be investigating ice and snow. Make sure your child wraps up warm during these two weeks, we will be spending a lot of time outdoors investigating the weather and the changes we can see. To warm up after a day outdoors we will be making vegetable soup, using our fine motor skills to cut the vegetables up.

Information

Library books are changed every Friday. Please make sure your child brings their book back so they can visit the library and choose a new book.

P.E

Is now on a Friday.

Please wear suitable clothing and footwear.

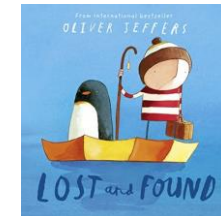

WB: 22th January

This week we will be reading 'We're going on Bear hunt.' We will be using our senses and going on a bear foot walk. We will also be making a sandwich and eating it with our favorite bear.

We are going to learn all about prepositions in under

WB: 10th February

This week we will be reading 'Lost and found' A story about a penguin who is a little lost and finds a friend. We will try to help the penguin find his way home. We will be also looking at how to be a good friend. We will also be finding lots of information about boats. And looking at all different boats.

During this week we will also be looking at how umbrella's work and making a class umbrella, looking at what material is best to use.
