

Year 5 Spring 1 Curriculum Leaflet

ENGLISH

In Writing, we are going to be looking at multiple genres and writing pieces such as:

- A setting description
- A character description
- A diary
- A balanced argument

Our class book this half term is The 1000 Year Old Boy by Ross Welford.

PSHE

This half term, we will be working with the team from Wolves Foundation. They will be focusing on team building skills and activities. The programme will involve sessions to help children working together.

ART

This term the children will be focusing on an artist called Frieda Kaholo. They will be looking at her artwork and being able to interpret the idea of self-portraits of themselves using the different skills Frieda used.

MATHS

In Maths this half term, we will be looking at a range of skills. This will include:

- Looking at the four different operations: addition, subtraction, multiplication and division.
- Looking at the place value of decimals.
- Working our percentages of amounts.
- Volume and Capacity
- Converting different measures
- Calculation time durations
- Short division multiplication

RE

In RE, our key focus is Judaism. We are going to be looking into Jewish worship and community. We will also be comparing worship in Judaism to other religions across the world and delve further into why members of the Jewish community value their identity.

Mrs Taylor
TA

COMPUTING

Computing this half term is all about understanding the work of architects, designers and engineers working in 3D. We are going to develop familiarity with a simple CAD tool, develop spatial awareness by experimenting with a 3D virtual environment and develop a greater aesthetic awareness.

GEOGRAPHY

In this unit, children will learn about the Alpine region of Europe and look at how the Alps were formed and how homes are built and adapted to different climates. They will create storyboards to describe how mountains are formed, they will design their own Alpine house and create their own leaflet for visitors to the area.

MUSIC

This half term we will be listening to a popular ballad by Adele called 'Make you feel my love.' Children will not only learn to sing this song but also to play instruments alongside it.

SCIENCE

During this half term's science topic we will be looking at different movements, forces and magnets. We will learn how to explain that unsupported objects fall towards the Earth because of the force of gravity.

INFORMATION

4th January – INSET Day
5th January – Children return to school
4th February – Y5 Maths Parent Workshop
14th February – Children break up for half term
