

Year 1 Spring 2 Curriculum Leaflet

ENGLISH

In writing this term we are going to be reading different texts about pirates. We will be writing non-chronological reports, character descriptions, setting descriptions and retells.

Our focus this term is ensuring we continue to use capital letters, finger spaces and full stops. As well as ensuring that all children use their previously taught sounds from their RWI groups. We are continuing to focus on handwriting throughout the term.

PSHE

This term in PSHE we are looking at different ways to keep our bodies and our minds healthy, we will be discussing healthy eating, exercise and how being safe can keep us healthy.

DT

In DT this term, we are looking at moving mechanisms. The children will be creating and evaluating a moving minibeast picture in their books. We will be looking at sliding, levers and wheel mechanisms to create our final piece.

MATHS

During this term we will be focussing on recognising the place value of digits. We will be using our knowledge on place value when answering embellished and real-life maths stories, this will help us solve word problems equalling bigger numbers.

We will also be practicing vertical addition and subtraction stories within 50.

MUSIC

In music we are continuing to find the pulse of the song, we are going to composing the songs and using our glockenspiels. The song we are learning is 'round and round'

Miss Jarvis
TA 1AB

SCIENCE

During this term we will be learning about the features of common plants and their basic structures.

We will then go on to learn about different types of animals, including reptiles, amphibians, mammals and birds.

HISTORY

This term in History, we are looking at 5 great explorers. We are identifying these explorers on a timeline and discussing their adventures. In our final lesson we will be using all the knowledge we have learnt to create a memorial for each explorer.
