

# Year 3 Spring 2 Curriculum Leaflet

## ENGLISH

In Writing, we are starting with an adventure story based on the book *Leon and the Place Between*.

We will then write a recount, working on using inverted commas, subordinating conjunctions and adverbs of time.

We will also write some instructions, focussing on using Adverbs of time and manner and imperative verbs.

Finally, we will write a book review of Charlie Mackesy's book, *The Boy, The Mole, The Fox and The Horse*.

## PSHE

Our PSHE topic is 'Healthy Me'. We are going to be thinking about healthy eating, exercise and also drugs – focussing on medicines. We will also talk about keeping ourselves safe.

## DT

In DT, we are looking at inventions over time. We will look at the telephone, the internet, reinforced concrete and waterproof material. We will then try to think of something that needs to be invented!

## MATHS

In Maths Year 3 will be working on:

Calculating length and perimeter of shapes.

Solving word problems involving 4 operations with numbers up to 1000.

Calculating vertical addition and subtraction maths stories up to three-digit numbers with up to two tricky columns.

Adding and subtracting fractions with the same denominator.

Please also keep logging in to TT Rockstars at home to improve Year 3s recall of tables facts!

## RE

In RE we are learning about Jewish celebrations and why they are important. We look at how and why Jews celebrate Passover, Sukkot, Purim, Hanukkah and Rosh Hashanah.

**Mrs V Kidson**  
Teacher 3VK

**Miss A Alaimo**  
TA 3VK

**Miss J Albrighton**  
Teacher 3JA

**Miss T Boylen**  
TA 3VK

## COMPUTING

In computing, we are creating PowerPoint presentations.

## HISTORY

Our History topic is The Bronze Age and Iron Age. This continues from our previous Stone Age topic.

We will also have our trip at the end of the half term which links to The Stone Age.

## MUSIC

In Music, 3AS will begin their recorder lessons. 3VK will be learning the song *Let Your Spirit Fly*, singing, playing glockenspiels and improvising and composing as part of this unit.

## SCIENCE

Our Science topic will be magnets and springs.

We will have lots of practical lessons looking at how magnets work.
