Date	Tests
Monday 12 May	English grammar, punctuation and spelling Paper 1: questions
Monday 12 May	English grammar, punctuation and spelling Paper 2: spelling
Tuesday 13 May	English reading

PSHE

We will be looking at 'Changing Me.' The children will be investigating the changes that their bodies may experience as well as look at relationships.

DT

Children will look at a variety of different bird houses and discuss the differences in appearance, their functions, and what types of birds they attract. After this we will be designing and constructing their own birdcages.

MATHS

This half term, we will focus on preparing for SATs. Below, are the dates children will take part in the test.

Wednesday 14 May	Mathematics Paper 1: arithmetic
Wednesday 14 May	Mathematics Paper 2: reasoning
Thursday 15 May	Mathematics Paper 3: reasoning

RE

In RE, children will discuss and explore how Sikhs worship and how they help and support both local and wider communities.

Mrs M Ali
TA Y6

Mr U Patel
Teacher 6UP

Mrs J Price
Teacher 6JP

Mr J Sylvester
Teacher 6JS

Mrs K Adams
TA Y6

COMPUTING

In this unit, pupils use a blogging platform to explore issues related to social media and will also create their own blog.

GEOGRAPHY

Children will consider the past, present, and future of their local area. This unit helps them see change as positive and to feel optimistic about the changes that lie ahead. Children will use resources like maps to identify key topological features of the local area and then later in the topic look at the types of houses and jobs available in the area.

ART

This unit will be focusing on expressing oneself through the use of art. Children will use different techniques to create self portraits that express their personality.

SCIENCE

This topic builds on the Year 4 work on electricity, taking it into the scientific use of symbols for components in a circuit, as well as considering the effect in more detail of changing components in a circuit.
