

# Nursery Summer 1 Curriculum Leaflet

## 28<sup>th</sup> April

Some of you will be returning to nursery and some of you will be new to our class.

The first week in nursery will be all about 'The Large Family.' It's Mr Large birthday. We will be throwing a birthday party for Mr Large, with birthday cards and cake. We will also be looking at who lives in our house. We will be drawing our self-portraits and adding our new children to our gallery.

As a class we will be looking at where we live and creating our very own street with large cardboard boxes and lots of imagination

## 5<sup>th</sup> May

This week we will be learning all about our 4-legged friends. Some of you may be lucky enough to have a pet at home, it would be amazing if you could send in a photo of your pets so we can show them off in class.

We will be turning our role play into a vets and making all our pets happy and healthy.

## 12<sup>th</sup> – 19<sup>th</sup> May

During these two weeks we will be learning about all the people who help us, the police, firefighters, builders, nurses and doctors. We will need your help by supplying us with recycling items, we will be creating lots of junk models of police and fire engines.

We will be taking part in lots of role play activities and learning who to call if we need help and the importance of keeping strong by exercising, eating healthy and making good food choices and staying healthy by brushing our teeth

## Information

### Library.

Each Thursday your child will be given a library book of their choice. Would you please send your child in with their library book each Thursday so we can help change it for them.

### P.E

P.E is every Friday. Please send your child wearing suitable footwear and clothing such as joggers and trainers. We will soon be starting sports day practice where you will be invited to watch your child in Summer 2.
