

Year 5 Spring 1 Curriculum Leaflet

ENGLISH

In Writing, we are going to be looking at multiple genres and writing pieces such as:

- A dialogue piece
- A missing poster
- A narrative

These will be done using the book 'Cogheart' by Peter Bunzl.

PSHE

This half term, we will be working on 'Changing Me.' This will focus on the circles of change looking at both girls and boys and the human body.

ART

This term the children will be focusing on street art and will be using different techniques and styles to create a piece of street art using stencils.

MATHS

In Maths, we are going to be looking at:

- Ordering and comparing decimals
- Converting fractions
- Solve multiple maths stories with decimal points
- Explore the properties of 3D shapes
- Solve two-step problems involving measures

This will all be completed using our SMART MATHS methods as well as concrete, pictorial and abstract methods.

RE

In RE, we are going to be focusing on Stories of Christianity. We are going to be looking at multiple stories from the Christian Bible and the messages they convey.

Mrs Taylor
TA

COMPUTING

Our outcome in Computing is going to be to create an interactive, multimedia adventure game! We will be looking into the different types of games, how they are created and then also be having a go at creating our own!

GEOGRAPHY

Geography this half term is going to be looking at journeys and trading. We will be delving into how the UK imports goods from all over the world including: cars, medicine, gas, metals, oils, clothes and computers/electrical equipment. Our key question in Geography is going to be "Why do we import more than we export?"

MUSIC

This half term we will be listen and appraising Dancing in the Street by Martha and the Vandellas.

SCIENCE

During this half term's science topic, we will be looking growing up and growing old. Throughout this topic children will learn about how a baby grows and the gestation periods for other animals.
