

# Year 1 Summer 1 Curriculum Leaflet

## ENGLISH

This term in writing, we are looking at different versions of Jack and the Beanstalk.

Our first week's writing will be focused on the author Rob Biddulph.

We are focusing on a range of text types such as character description, setting descriptions, instructions, and alternative endings. We remain focused on handwriting and presentation of our work; we are encouraging the use of conjunctions to give our writing a bit more detail.

## MUSIC

In Music we will be learning to perform a the song 'Your imagination' using a range of skills taught throughout the term

## History

In History this term, we are looking at the great inventions of transport. We will be focusing on the Wright brothers of their invention of the airplane. We will then be moving out focus onto the Rainhill trials and its importance in our history.

## PSHE

We will be working with Wolves Foundation, learning about ways we can keep ourselves physically and mentally healthy.

## DT

During DT this term we are going to be identify different stable structures around the world. We are going to be identifying the features of a stable structure and how this can help us create our own. Towards the end of the term we are going to be creating our own stable structure.

## MATHS

During this term we are focusing on a range of skills. We are learning how to multiply and divide within our 2s, 5s, and 10 time tables. We are looking at how we can show  $\frac{1}{2}$  and  $\frac{1}{4}$  both of numbers and shapes. We are also looking at how to correctly measure and record G and kg, relating to everyday life.

Our main focus this term is to ensure that all skills are taught before children get ready to move into Year 2, we are going to be looking at a wide range of skills from reading time to dividing numbers.

Miss Ingleby  
Teacher 1RI

Miss Sidhu  
TA 1RI

Miss Birchall  
Teacher 1AB

Miss Jarvis  
TA 1AB

## SCIENCE

This term we are pretending to go on a summer holiday. We will be looking at different materials that we would take with us and the different animals we may find there, including marine animals.
