

# Year 5 Summer 2 Curriculum Leaflet

## ENGLISH

This half term children will be looking at a new book called The Lion, The Witch and The Wardrobe.

They will be using different skills to write a range of genres including:

- A narrative
- A narrative which includes a problem.
- A discussion text.

## PSHE

During PSHE this half term children will be looking at their own dreams and goals and what they may achieve in the future including careers.

## DT

Children this half term will be using skills they have learnt previously to make their own drawstring bag. They will be using a needle and sewing their bags together.

## MATHS

In Maths, we are going to be looking at many things such as:

- Solving time duration
- Dividing using the short method
- Using derived products to calculate multiplication and division
- Solve comparison, sum and difference problems with line graphs
- Complete missing number grids and sequences
- Estimate and compare angles
- Use notation within a maths story
- Multiply vulgar fractions
- Find the mean, mode and median
- Find the volume of a cuboid

This will all be done using our SMART MATHS scheme.

## RE

In RE this half term, we will be looking at Belief in our Community. We are going to be looking into what our community believes and how they show that belief.

Miss Rakhra  
Teacher

Miss Barraclough  
TA

Miss Bridgewood  
Teacher

Mrs Taylor  
TA

## COMPUTING

Computing is all about exploring and creating virtual reality and augmented reality content.

We are going to be looking at the terms AR and VR and create our content using the laptops.

## HISTORY

History this half term is going to be all about Journeys. We are going to be looking at the different people from history to partook in journeys across the world and why they did this.

We are going to be looking at:

- Journey on the Titanic
- Vera Schaufeld
- Walter Raleigh

We are also going to be answering the key question – What makes people go on a journey?

## MUSIC

During this half term children will be recapping 'Livin' on a prayer' by Bon Jovi.

## SCIENCE

Science is all about Amazing Changes this half term.

We are going to conduct experiments about whether changes in materials are helpful. We are also going to be looking at whether all chemical/irreversible changes fast. We will also find out that changes in materials can create new materials.
