

# Year 6 Summer 2 Curriculum Leaflet

## ENGLISH

In writing, children will be consolidating their learning by producing several different genres of writing, for example a newspaper report based around a 'twisted tale'. A narrative: 'Replay'. A persuasive leaflet/blog and finally, an interview with an author.

## PSHE

This half term, children will be learning about mental health and how to help themselves deal with problems surrounding mental health.

## DT

Children will look at a variety of different bird houses and discuss the differences in appearance, their functions, and what types of birds they attract before designing and constructing their own Birdcages.

## MATHS

During our final half term, children will prepare themselves for secondary school. Learning key skills to give them the foundation for success as they transition to secondary school. There will be a heavy focus on algebraic questions, fractions, angles and data handling.

## RE

In RE, children will find out how Sikhs worship and help the community.

**Mr U Patel**  
Teacher 6UP

**Mrs J Price**  
Teacher 6JP

**Mrs M Ali**  
TA Y6

**Mrs K Adams**  
TA Y6

## COMPUTING

Pupils review existing adverts or promotional films, create a storyboard, shoot original footage, source other media and edit a final version of their movie.

## HISTORY

In History, children will be investigating the past and looking at how World War One and Two impacted our local community. The challenges both children and adults faced in our local environment and how they overcame these obstacles.

## MUSIC

This unit will be focusing on inspirational women in the music industry and the role women have.

## SCIENCE

Children engage in a different approach to their science in this topic. They use their science and link it to an historical event in context; the sinking of the Titanic.
