COMPUTING

In this unit, pupils will use a blogging platform to explore issues related to social media and will also create their own blog.

GEOGRAPHY

Children will consider the past, present, and future of their local area. This unit helps them see change as positive and to feel optimistic about the changes that lie ahead. Children will use resources like maps to identify key topological features of the local area and then later in the topic look at the types of houses and jobs available in the area.

SCIENCE

This topic builds on the Year 4 work on electricity, taking it into the scientific use of symbols for components in a circuit, as well as considering the effect in more detail of changing components in a circuit.
