

Nursery

“ Early Years Foundation Stage:
Where the difference made can
impact a lifetime! ”

March 2026

This half term in Nursery

What a wonderful and busy half term we have had in Nursery!

Our main topic has been all about the farm. The children have thoroughly enjoyed learning about different farm animals and the sounds they make. We explored the important role of the farmer and discovered where our fruits and vegetables come from. The children especially loved talking about their favourite foods and how they grow!

We have also enjoyed celebrating some very special occasions together. For Eid, we learned about how it is celebrated, including the beauty of Mehndi patterns and the importance of the moon and stars. We also had lots of fun celebrating World Book Day. The children came in dressed as their favourite characters and we spent the day sharing stories, reading together, and talking about our favourite books. It was lovely to see their enthusiasm for reading and storytelling!

Another highlight of the term was our Mother's Day celebration. It was so lovely to welcome all the mums into nursery. The children were very excited to sing songs and create special painted pictures as keepsakes. It was a truly heartwarming day for everyone. We are so proud of all the children and the enthusiasm they have shown in their learning and celebrations. Thank you, as always, for your continued support. We look forward to another exciting half term ahead!

Our Nursery Team

Our Nursery team has lots of experience and are all parents themselves. They are warm, caring and here for both children and families. Please talk to them anytime if you need help or support.

Teaching Assistant

Summer 1 Our Families

Please remember

- Muddy Monday. Please bring wellies to school and bring your shoes in a bag for after.
- Friday is P.E. Children will need trainers and sensible clothes to exercise in.
- As it is getting a little warmed please be conscious of how you dress your child, they wont need as many layers .

Next half term

We will be learning all about our families, our homes, and the things that make us feel happy and safe.

The children will have the opportunity to talk about their families and share who is special to them. It will be lovely to hear about siblings, grandparents, and all the important people in their lives. These discussions will help the children build confidence in speaking and listening, as well as understanding that every family is unique and special.

We will also be learning about our homes and the different types of places we live in. The children will explore what makes a house a home and take part in activities such as drawing pictures and building homes using different materials.

We are looking forward to a fun and engaging half term, full of learning, creativity, and discovery.

Words to learn

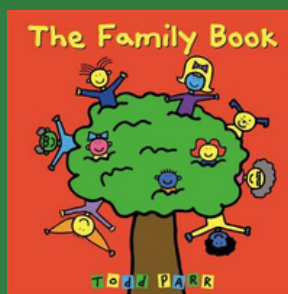

It would be really helpful if the children could begin to learn the following words to support them in Nursery.

Mom	Home
Dad	Livingroom
Brother	Bedroom
Sister	Kitchen
Nan	Garden
Grandad	Upstairs
	Downstairs

Dates for your diary

- Monday 13th April - INSET day no school
- Tuesday 14th April - children return to school
- Monday 4th May - bank holiday
- Monday 25th May to Friday 29th May - half term.

Books we will read

The Family Book by Todd Parr is a bright and simple story that celebrates all the different kinds of families in the world.

This book explores a range of helpful roles such as doctors, nurses, firefighters, police officers and teacher. It explains what each person does and how their jobs support us in our everyday lives. we can learn to appreciate, respect, and even be inspired by them.
